CLINIC OFFICE POLICY

Thank you for choosing Mobile Pediatric Clinic as your healthcare provider. The following is a summary of our Financial Policy. We require that you read and sign our policy prior to treatment. *A copy of our full financial policy is available upon request.* Due to frequent changes in health insurance coverage, we require that you provide proof of insurance coverage at each visit.

The following policies assure that we maintain a superior standard of care for all our patients.

INSURANCE – Mobile Pediatric Clinic will bill all participating insurance companies as a courtesy to our patients. Insurance companies offer many different plan coverages to their insurance. It is the patient’s responsibility to understand what is covered and not covered by your individual plan. If we have not received payment from your insurance company within 60 days of the date of service, you may be expected to pay the balance in full. Please note that your insurance policy is a contract between you and your insurance company, therefore, it is your responsibility to verify all charges are paid whether by you or your insurance company.

ALL PAYMENT IS EXPECTED AT THE TIME OF SERVICE – All co-payments, coinsurance, and deductibles are due at the time of service unless other arrangements have been made in advance. These fees are a contract between you and your insurance company and cannot be waived. If you do not have insurance, are unable to provide proof of current insurance coverage, or are on a plan in which we do not participate, full payment is required at the time of your visit. Any balances that you may have incurred from your prior or present dates of service will be collected when you visit our office. Please also be aware that some services provided may be non-covered services and not reimbursable by your insurance. You are personally responsible for these services. For your convenience, we accept cash, check, Visa/Mastercard, American Express and Discover. **There is a \$35 service charge for returned checks.** Patients with an outstanding balance 60 days or more overdue must make arrangements for payment prior to scheduling appointments. Please contact our business department for assistance. Failure to resolve any past due accounts including returned checks will result in referral to a collection agency. You will be responsible for any fees associated with the costs of collections in addition to the amount owed on the account. Any family whose account is forwarded to a collection agency may be discharged from our practice

MISSED APPOINTMENTS/LATE CANCELLATIONS – Missed appointments are very disruptive to our office and deprive others from an appointment. We encourage our patients to arrive at the office on time or a few minutes prior to their scheduled appointment. If you are late (under the discretion of the provider) for your Well Visit or Consult appointment, we reserve the right to reschedule your appointment. If you are late (under the discretion of the provider) for your Sick Visit, you will forfeit your scheduled appointment time and will be rescheduled for the next available open appointment time. **Appointments require NO LESS than 24 hour notice of cancellation. Same Day Sick Visits require no less than a 3 hour notice.** *Patients who no-show for a double visit will be restricted from scheduling double appointments in the future. In the event of 3 No Shows per patient within a 12 month period, you may be dismissed from our practice. Excessive abuse of this policy will result in dismissal from the practice for your child(ren).*

MEDICAL RECORDS/FORMS - Our practice charges for additional paperwork outside of the completion of the medical record. Upon request, you will receive a standard well-child form and/or blue/immunization record annually free of charge at the time of your annual visit. There is a \$10 fee to complete forms (camp, school, sport, WIC form or prescriptions, etc.) outside of your well visit appointment. There is a \$5 fee for a blue card//immunization record outside of the well visit. We can provide Family Medical Leave Act (FMLA) forms for a fee of \$25.

ASSIGNMENT OF BENEFITS– *I authorize payment of medical benefits to Mobile Pediatric Clinic for services rendered and agree to abide by the financial policies of these clinics.*

I acknowledge that I have read and understand the policies stated above. I agree to pay any monies due at the time of service and provide accurate information to Mobile Pediatric Clinic to allow for timely filing and prompt payment of my claims. I also agree that if it becomes necessary to forward my account to a collection agency, in addition to the amount owed, I will also be responsible for the fee charged by the collection agency for costs of collections.

Clinic Vaccine Policy

We believe in the effectiveness of vaccines to prevent serious illness and to save lives.

We believe in the safety of the vaccines we provide.

We believe that all children and adolescents should receive all the recommended vaccines according to the schedule published by the Centers for Disease Control and American Academy of Pediatrics.

We believe, based on all the available literature, evidence and current studies, that vaccines do not cause autism or other developmental disabilities. We also believe that vaccinating children and adolescents may be the single most important health-promoting intervention we provide as your pediatrician.

We would like to emphasize the importance of vaccinating your child. We recognize that you may hear rumors or myths about vaccines. We are here to educate and inform you on each individual vaccine as well as the current vaccination schedule. Vaccine information sheets are provided for each vaccine. Should you have any questions please discuss them with your provider.

Please be advised, that "alternative schedules" or "breaking up the vaccines" goes against our recommendations. This can put your child at risk for serious illness or death. An Alabama Certificate of Immunization will not be given until your child is up to date on vaccines according to the American Academy of Pediatrics vaccine schedule.

Should you refuse to vaccinate your child or choose an alternative schedule, we will ask that you find another health care provider.
